PARADISE STATE OF MIND

Engulfed in a nursery of Palm trees, surrounded by water fountains and fire pits, and filled with wicker, concrete, and fabric textures, Palma is our own little oasis in the desert offering a mix of modern relaxation.

The space is usable year-round with misters and shading for the summer months, and heaters and fire pits for the winter months.

We offer event packages for groups ranging from 20-300 people, using a combination of our unique lounge spaces to create an unforgettable experience in paradise.
